Dear Parent/Guardian.

I hope this letter finds you well.

I am writing to inform you that a small number of Maths Support classes are going to be made available to our first year cohort of students from the beginning of next week 19/09/2023.

These classes will take the form of small group withdrawal over a short period (4-6 weeks) and the students selected will be chosen by the Maths teacher after consultation with the Additional Education Needs Team here in the school.

Should your son/daughter be selected it will be a wonderful opportunity for them to receive support in the area of Maths in a smaller environment than the mainstream classroom.

Should you have any questions about this please don't hesitate to contact me.

Christopher Keniry

Special Education Needs Co-Ordinator
