STAGE 3: meeting the POINTS REQUIREMENTS

CAO Requirements for Entry

Minimum Entry Requirements

General requirements to get into a particular Higher Education Institution (HEI)

Specific Subject Requirements

Particular subjects/grades required for certain courses

Points

Minimum cut-off points for each course on a given year
CAO Points for 2022 will only be known when Round 1 offers are issued.

Language Exemptions - Contact Admissions Offices of UL, Mary I and TCD directly. For NUI Colleges (UCC, UCD, Maynooth University, NUI Galway, RCSI, NCAD and St Angela's College, Sligo) see www.nui.ie

STAGE 1:
ENTRY REQUIREMENTS

**These must be satisfied
before “points” are
considered**

Level 6 & 7 Courses

Minimum Entry Requirement

Level 6 courses = five passes (O6/H7)

Level 7 courses = five Passes (O6/H7)

This means 5 O6/H7 passes or a minimum number of points.

O6= 40-49% in a subject (12 points)

H7= 30-39% in a subject (37 points)

College Prospectuses/ Websites need to be consulted.

Level 8 Courses

Minimum Entry Requirement

Different colleges have different entry requirements

NUI Universities (UCD, UCC, NUIM & University of Galway) require two H5 and four O6/H7 Grades

NUI Universities look for Irish, English, Maths and a **Second language** in your six subjects.

Some courses in NUI Universities e.g. Science and engineering courses do not have a **second language** requirement.

IMPORTANT: Language Exemptions have to be applied for separately for the NUI Universities and for the University of Limerick.

Level 8 Courses

Minimum Entry Requirements

TCD requires three H5 and three O6/H7 to include English, Maths and another language.

Most Level 8 **Technological Universities** require 2 H5 and four O6/H7 to include Maths and English or Irish.

U.L. & D.C.U. requires two H5 and four O6/H7 to include Maths and English or Irish

O6= 40-49% in a subject (12 points)

H5= 50-59% in a subject (56 points)

H7= 30-39% in a subject (37 points)

CHECK WEBSITE/ PROSPECTUS

STAGE 2:

Faculty / Department Requirements

Examples....

- 1. Pharmacy – TCD and UCC – H5 in Chemistry and a H4 in a 2nd science subject or Geography or Maths**
- 2. Physiotherapy (TCD) – H4 in two science subjects or H4 in one science and higher level maths.**
- 3. Primary School Teaching – H4 in Irish**

College website / prospectus should always be consulted

If all Entry Requirements and Faculty requirements (if needed) are met ☐ applicant is deemed 'Qualified' to apply.

THEN
“Points” are considered.

POINTS SYSTEM

Generally in the CAO system

No. of qualified applicants > No. of course places

--> selection system is needed.

Selection system used in Irish 3rd Level Colleges is the:

POINTS SYSTEM

- Points are calculated from **ONE** sitting of the Leaving Certificate only.
- Points total is calculated from **SIX** best subjects.
- 25 bonus points awarded for H6 or above in Maths (Maximum points now 625) Bonus points are awarded from H6 Grade and above
- Entry Requirements can be satisfied **over more than one** sitting of the Leaving Certificate.
- **H7 is (30-39 %)** it is considered a pass in a subject for the purposes of the CAO e.g. Maths.

- H1 (90 -100)
- H2 (80 < 90)
- H3 (70 < 80)

- H5 (50 < 60)
- H6 (40 < 50)

Example of Points Calculation

- Irish H₄

- Biology H₅
- Geography O₁
- History H₃

- 66
- 88
- $46+25 = 71$

- 56
- 56
- 77

- Total = 435 (we left out one of the 56 point results as only the best 6 results are calculated)

How the '*points*' requirement for each course works

- ▶ Each college decides on how many places they wish to offer for each course.
- ▶ The number of applications will be determined by the number of applicants each year, i.e. popularity of the course.
- ▶ Places will be offered to applicants in order of merit as determined by their points.
- ▶ The published '*points*' for a course are the points achieved by the last applicant/s offered a place that year in each course
i.e. everyone offered a place had at least those points
- ▶ Thus the minimum '*points*' can change from year to year

Example of Order of Preference

Student example 2021 John : 473 points

Level 8	Level 7/6
CK202 (553points)	CR021 (253points) ←
CK201 (500 points)	CR022 (172points)
