After School Study

Dear Parent/Guardian,

Due to the increased demand for students looking for places in our Evening Study Programme, we are inviting all **5th year students** to show their expression of interest in a place in Evening Study after school. In the event that there are enough interested students to open a second study class, we will notify Parents of the commencement date in due course.

Study sessions will operate from **4.10pm – 6.00pm Monday through to Thursday**. The cost depends on the number of students attending with a maximum amount of €15 per week.

Payment will be requested in full prior to the attendance of study. This is a **non-profit making school-based initiative** and attendance will be monitored for parents. Strict supervision will take place at all times.

Please register your expression of interest for your child for Evening Study by completing the registration link at the bottom of the SMS you just received.

Please register on or before Thursday the 18th of September.

Students will be allocated a place on a first come first serve basis if the additional class goes ahead.

Yours Sincerely

Ms Anna Quilter

Evening Study Coordinator
