After School Study

Dear Parent/Guardian,

We look forward to welcoming our students to evening study for the upcoming year. Students taking part in After School Study will further enhance their educational progress in school.

Evening study will commence on **Monday 8th September**. Priority will be given to 3rd year and 6th year students and we encourage all 3rd and 6th year students, interested in joining study, to register in term 1 as priority cannot be given to these students in term 2 or 3 if other students have been in attendance since the start of the school year.

Study sessions will operate from **4.10pm – 6.00pm Monday through to Thursday**. This term study will run for 7 weeks, from 8th September to 24th October inclusive. The cost depends on the number of students attending with a maximum amount of €15 per week.

Payment will be requested in full prior to the attendance of study. This is a **non-profit making school -based initiative** and attendance will be monitored for parents. Strict supervision will take place at all times.

Please register your child for Evening Study by completing the registration link at the bottom of the SMS you just received.

On or before Friday 5th Sept .

There will be one study centre in operation for term one only. Students will be allocated a place on a first come first serve basis.

Yours Sincerely

Ms Anna Quilter

Evening Study Coordinator
