Dear Parent/Guardian,

We would like to inform you that your daughter will be taking part in an interview on **8th December** for the upcoming **French Exchange Programme**. This interview is an important part of the selection process, and we wish her the very best of luck.

If selected, your daughter will take part in a two-way exchange with a French student. As part of the programme, the French student will stay with your family from **12th to 19th March**. During this time, your daughter will act as a host, helping her exchange partner experience daily life and culture in Ireland.

Following the hosting period, your daughter will then travel to France to stay with her exchange partner's family from **26th April to 3rd May**. This is a wonderful opportunity for students to improve their language skills, gain cultural awareness, and build confidence and independence.

Further information will be provided once the selection process has been completed.

Thank you for your support, and please do not hesitate to contact us if you have any questions.

Kind regards,

Ms. Fitzgerald
