Dear Parent/Guardian,

As an integral part of the Leaving Certificate Geography syllabus, students are expected to conduct a fieldwork study overseen by Burren Outdoor Education Centre.

To facilitate this, we will go on a field trip to Liscannor bay on Monday 22nd September. This activity and report booklet will be worth **20% of the Leaving Certificate exam**. This will be an all day activity.

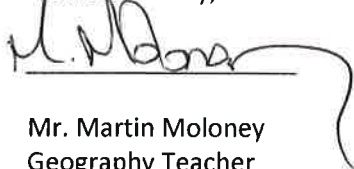

The total cost of the trip including the bus is €50.00

Students must follow all rules and guidelines as set down by normal school excursion rules. Students are expected to bring a rain jacket, protective clothes such as old runners/wellies and tracksuit. Students must bring a packed lunch for the day.

It is important to note that if your son or daughter has any medical conditions which we should know about for this trip please indicate on the permission slip.

Parents are asked to complete the consent form below and fill in the information requested outlining details of any medical condition of your son or daughter and a phone number in case of emergency.

Yours sincerely,

Mr. Martin Moloney  
Geography Teacher
