Dear Parent/Guardian,

Mock interviews for 6th Year LCVP students will take place in the school on Thursday, January 22nd, starting at 7:00pm.

These mock interviews are a vital part of students' preparation for the official recorded LCVP interviews, which will take place in February as part of the LCVP Portfolio. The evening will closely replicate the format and expectations of the real interview, helping students to build confidence, improve their communication skills and receive valuable feedback.

We are very grateful to a number of local working professionals who have kindly volunteered their time to come into the school to interview students. Each student will be allocated an individual interview time, details will be shared closer to the date. It is important that students are punctual and wear full uniform.

This experience is hugely beneficial and often makes a significant difference to students' performance in their recorded interviews later in the year and for future interviews.

Thank you for your continued support. If you have any questions, please do not hesitate to contact me.

Kind regards,

Helena Coffey
LCVP Teacher
