Dear Parent Guardian,

Please note the following arrangements for school transport which may affect you son/daughter.

School Transport 21/22 Academic Year

School Transport Scheme services for the 2021/2022 school year will fully operate but, similar to the 2020/2021 school year, services will operate with additional measures and hygiene requirements in place.

In line with Public Health advice, post-primary services will continue to operate at 50% capacity in the 2021/2022 school year. **This capacity limit will be subject to ongoing review.**

Lissycasey School Bus

We have been informed that all families who paid on time for the above service, whether eligible or concessionary, will receive tickets for travel.

Bus Éireann will issue tickets to students in the coming days.

Kilmaley Private School Bus Service

All students who applied for a seat on this service will be accommodated. Due to higher numbers now availing of this service, two buses may be required to facilitate the required 50% capacity. Further updates will issue early next week.

Yours Sincerely

Denis O Rourke

Principal
