17/09/21

Dear Parent/Guardian,

We have been made aware of two confirmed cases of COVID 19 among our student cohort.

Both of these cases are within the one household.

We have been in contact with the HSE earlier in the week and they informed us that no further action is required.

We made contact once again with the HSE yesterday, Thursday 16th September, once we were informed of the second confirmed case.

As of today Friday 17th September 11.00am, we are being advised by the HSE that there is no need to start contact tracing within our school or school transport due to the time span between when these students were tested and when they were last in contact with other members of the school community.

I will be making contact once again with the HSE today if we are made aware of further cases within our school.

I remind you to keep your child at home if they have any symptoms of COVID 19 and to make contact with your family GP. In the event that your child tests positive for COVID 19, please inform the school.

If the school is informed of a confirmed case of COVID19, it **will** be dealt with in confidentiality, however we are obliged to inform the HSE School Helpline for contact tracing purposes.

Any updates will be posted on our school website and a link sent to all parents.

Once again, thank you for your support in keeping our school open to our students and staff.

Yours Sincerely

Denis O Rourke

Principal
