Dear Parents/Guardian

As part of the Transition Year programme we will be travelling to Derg Isle Activity Centre on Monday 6th September to take part in an overnight trip. While away students will take part in land and water based activities

We will be leaving St John Bosco Community College at 8.45 on Monday morning and will return to the school on Tuesday 7th at 3.50 p.m.

Students' meals will be provided (Monday lunch, evening BBQ), Tuesday (Breakfast and light lunch).

Students can bring additional snacks for mid-morning or afternoon.

Attached is a list of items which students must bring with them. (See Overleaf)

This is a great opportunity for students to try something new and I encourage all students to attend and participate in all activities.

Yours Sincerely

Ms Culligan
