RE: LCVP Portfolio Work

1/10/21

Dear Parent

Please check that your son/daughter has completed all items of their LCVP portfolio and submitted to their LCVP teacher. The items are CV, Action Plan, Summary Report and Career Investigation. These portfolio items make up 60% of the overall exam and therefore should be completed to the best of the student's ability.

We spent 5th year and the month of September working on these items in class. Evidence of their work can be viewed on Google Classroom.

The focus now during the class time is on the theory section of the LCVP course.

Anyone with unfinished items must complete in their own time. They have the option of sending work to their teacher on a weekly basis for correction. Any students unable to access a device/PC at home should contact their teacher to make arrangements to do this work after school.

Final deadline for accepting work for correction is October mid-term.

The final item for the portfolio is the Recorded Interview, this will take place during the November tests.

Thanking you for your co-operation

Regards
