8 February 2022

Dear Parent

As part of the TY programme your son/daughter will participate in Week 2 of work experience from February 14th-16th 2022. During these days the student will be required to observe and participate in the world of work where possible.

The student is covered by insurance with Limerick LCETB while on work experience.

Students will be required to keep a diary for each day while on work experience and we will be conducting a follow-up evaluation in class on their return to school.

We hope this will be a positive and enlightening experience for your son/daughter.

Yours faithfully

B. Culligan
