Dear Parent/Guardian,

As part of the Leaving Certificate Vocational Programme (LCVP), students are required to complete a period of unpaid work experience from **Monday 9th March to Friday 13th March 2026**.

During this week, students will have the opportunity to observe and, where appropriate, participate in the workplace. This experience forms an important part of LCVP and supports students in exploring potential career paths, developing employability skills, and gaining a practical understanding of the world of work.

We encourage you to support your son/daughter in securing a suitable placement that reflects their interests and possible future career choices.

Please note that students are covered under the Clare Limerick ETB insurance policy while on approved work experience.

As part of their assessment requirements, students must:

- Attend their placement each day as agreed
- Complete a daily work experience diary
- Participate in a follow-up evaluation and reflection in class upon their return

We hope that this will be a valuable and positive learning experience for all students.

Thank you for your continued support and cooperation.

Yours faithfully,

Ms Coffey
LCVP Teacher

Ms Brouder
